

Basic Acting Course for beginners

Rigorous Training

100%

Screen Focused

12+

Core Modules

Program Overview

An intensive foundation program designed to build strong acting skills and screen presence for stage, screen, and camera work.

Focus areas include performance technique, emotional depth, physical expression, and practical on-camera acting skills.

Learn from Industry-Trained Mentors

FTII & NSD Trained

- Mentors trained at India's premier film and drama institutions
- Deep grounding in classical and contemporary acting methods
- Hands-on teaching shaped by real industry experience

Globally Recognised

- Guidance from mentors with international acting credentials
- Exposure to global performance techniques and standards
- Personal mentorship tailored to each student's growth

Professional Monologue Shoot

The Experience

Students perform and record one professional monologue in a fully equipped production studio with industry-standard setup.

What Students Get

- Shot with professional lighting, camera and sound equipment
- Hands-on on-set experience with crew and direction
- Guidance on blocking, pacing and camera awareness
- A finished monologue recording for your acting portfolio

Outcome

A cinematic monologue reel that serves as a professional portfolio piece.

Scene Work Shoot

On-Camera Scene Work

Students shoot one fully scripted scene in a professional studio environment, experiencing the complete production process first-hand.

What Students Learn

- Practical on-camera acting techniques and screen presence
- Scene partner dynamics and reactive performance
- Camera blocking, eye-lines and continuity awareness
- Working with a director and taking on-set feedback

Outcome

A professionally shot scene reel demonstrating screen acting ability.

Dance Performance Shoot

Choreographed Performance

A professionally choreographed dance shoot designed to enhance physical expression, rhythm, and screen confidence.

What Students Develop

- Body language and movement awareness for the camera
- Rhythm, coordination and expressive physicality
- Screen confidence through performance under lights
- A dance performance reel for auditions and casting

Outcome

Improved physical presence and a dance performance portfolio reel.

Diploma Film Project

Your Film. Your Credit. Your Legacy.

Every student is guaranteed a role in a professionally produced diploma film.

Production Details

- Studio with industry-standard camera, lighting and rigs
- Directed and shot by experienced film professionals
- Real shooting experience with full on-set discipline
- Multiple takes, blocking and performance direction

The Outcome

A cinematic film credential that advances your professional acting career.

Acting Class Exposure

Regular Performance Classes

- Structured performance classes throughout the course
- Progressive skill-building from foundational to advanced levels
- Peer feedback and collaborative learning environment

Improvisation & Depth

- Exercises for improvisation and spontaneous performance
- Emotional depth work and character study techniques
- Scene exploration and creative character development

Total Students in a batch

Limited Batch

12-15 Participants

Interaction with Casting Directors

From Classroom to the Casting Room

Special live sessions with active casting directors give students direct insight into the real casting process and industry expectations.

What Students Gain

- Practical audition technique and self-presentation skills
- Direct feedback from industry professionals on performance
- Networking opportunities with working casting professionals

Impact

Students leave with audition-ready skills and real industry connections.

Masterclasses with Working Professionals

Working Actors

Real stories, insight into the craft and on-set experience from active performers

Directors

Creative vision, collaboration and directing approach from working film directors

Filmmakers

Production insight, storytelling techniques and the film industry ecosystem

Casting Professionals

Audition know-how, industry standards and what gets actors noticed

Lifetime Placement Guidance

We Don't Stop at Graduation

Actors Assembly believes the teacher-student relationship does not end with a diploma. Our alumni receive continuous career support for life.

What Guidance Includes

- Personalised career counselling and audition coaching
- Introductions to casting directors and production houses
- Ongoing access to alumni network and industry connections
- Help with auditions, opportunities and portfolio building

Our Commitment

Your success is our reputation. We remain invested in your journey long after you leave our halls.

Student Promotion & Database Creation

Professional Database

- A professional actor database profile created for every student
- Showcasing your photos, reels and contact information
- Shared directly with casting directors and production teams

Social Promotion

- Promotion through social media and casting networks
- Visibility campaigns to highlight emerging student talent
- Active outreach to casting agents and industry professionals

Industry Collaborations

Direct Industry Access

Actors Assembly maintains active connections with directors, producers and casting directors across the Indian film industry.

Opportunities Available

- Roles in films, web series and television productions
- Opportunities in advertisements and brand campaigns
- Audition referrals directly from our industry network
- Collaboration opportunities with emerging filmmakers

Why It Matters

Talent alone is not enough — real careers are built through the right connections.

Your First Step into Bollywood

A structured pathway designed to take you from foundational training to real industry readiness — building the confidence, craft, and connections every actor needs to enter the world of professional film.
